Dear Community Member:

Sanitary lift station no. 10, located in Webster Park, is scheduled for replacement in spring-summer 2026. The project will include construction of a new lift station next to the existing one, reconstruction of the sanitary sewer force main and removal of the existing lift station.

Schedule

City contractor, Pember Companies, Inc., is scheduled to begin work in April. Project work is expected to be completed by the end of June 2026.

What to expect during construction

- Work hours
  - 7 a.m. – 8 p.m., Monday – Friday.
  - Weekend work is not anticipated.
- Trail closure
  - East side of Webster Avenue, from 33rd Street to Walker Street.
- Road closure
  - Short-term (2 days) road closures are anticipated during the project – see map on reverse for more information
- Increased truck traffic

Weather

Be aware that construction is highly weather-dependent; rain can cause delays.

Stay connected

The city will keep you updated on the status of the project by posting to the project webpage at bit.ly/liftstation10-replace.

For reasonable accommodations or alternative formats, contact engineering department at 952.924.2656 or eng@stlouisparkmn.gov.
Para ayuda, llame al 952.924.2656 y diga: "ESPAÑOL." Espere a que le atienda un intérprete.
Hadii aad caawimaad u baahantahay, wac 952.924.2656 oo dheh, "AF-SOOMAALI." Fadlan ku sii jir si uu kuugu soo galo turjubaan.
